The Outboard Marine Corporation (OMC) was a well-known producer of marine outboard engines and stern drives in the 1970s and 1980s, competing mainly with MerCruiser. Problems with the company's Cobra line of stern drives, however, resulted in a widespread recall in the late 80s and the company eventually went out of business.

OMC Parts. The Outboard Marine Corporation (OMC) was formed in 1929 but it's outboards and sterndrives became known as OMC's in 1956 during the decade when recreational boating first surged in popularity. That was when OMC diversified its product line. On the recreational boating motors front, OMC invested in new technologies including its newer stern-drive engines, developed to power ...
