APA Style

Introduction //

Purdue Writing Lab

Since APA style format is used often in science fields, the belief is “less is more.” Make sure you’re able to get your points across in a clear and brief way. Be direct, clear, and professional. Try not to add fluff and unnecessary details into your paper or

Style

Papers in social sciences departments are generally written following American Psychological Association (APA) guidelines. You will document your sources in two places: immediately after the borrowed information appears in the project (called in-text citation) and in a reference list at the end of the project.
