to 2004. He has published over 250 papers and authored several textbooks in the fields of biostatistics and epidemiology.

A Biostatistics Toolbox for Data Analysis : Steve Selvin ...

Dr. Steve Selvin's latest book aims to bridge an existing gap by demonstrating how "efficient and

File Type PDF By Steve Selvin

effective" statistical methods can be when applied to epidemiologic problems. Using a novel case-series approach (perhaps unique among epidemiologic methods texts), he details in 16 autonomous chapters a wide variety of analyses that typically arise in epidemiologic research, including ...
