Fit-for-Purpose Leadership Training We know when selecting a leadership development solution you want it to be aligned to your organizational needs, unique cultural dynamics, and business objectives. Align4Profit's fit-for-purpose approach, rather than generic training, is designed to solve your specific needs, scaled to meet your specific ...

Fit-for-Purpose Leadership Training
This review identified that while there is a vast body of literature that refers to one's sense of purpose, little attention has been given specifically to purpose in leadership. Some elements of 'purpose' are embedded in existing models, such as authentic, ethical and values-based leadership, such as drawing on established beliefs.
