International License. G means Games. G is an acronym for Games. Search for acronym meaning, ways to abbreviate, or lists of abbreviations.

G - Games - All Acronyms

GIS and video games are already being merged by the University of Southern California's Institute for Creative Technologies. Research has produced a few virtual war games there which are used to simulate a real war environment (in this case, Iraq) and is used as immersion therapy for returning veterans with Post-Traumatic Stress Disorder.

Imagine this...you are at home, Dad is cooking on the stove in your kitchen while half watching an American football game with you in the living room. The score is tied with 10 seconds left in the game and your team has the ball on the 3 yard line trying to score. Your team tries a screen play to the outside but their opponent stops them at the ...

Apps for Games - CNET Download

Traditional games often had rigidly curated and premanipulated content that was geared only toward high visual and performance quality. These systems typical required significant changes made under artistic license to real world content. Now we're seeing the major game engines, such as Unity and Epic's Unreal Engine, make tremendous strides ...
