Honda stands behind our engines a three-year commercial warranty on all GX engines, 100cc and larger. Or ask a Honda engine owner. Next time you visit a rental centre, see a landscape truck, or pass by a construction site, you'll probably see a Honda GX engine-powered piece of equipment. Stop and ask them what they think of the Honda engine.

GX200 - Honda Engines

We utilize Honda GC- and GX-series engines on Ventry® Ventilation Fans, our patented portable gas and electric fans which are used primarily in fire fighting and brush burning/stump burning. The main difference in the engines we use (GC160, GX120, GX160 and GX200) is that the GX engines are commercial duty while the GC160 is considered ...

This manual contains information on how to do that; please read it carefully before operating the engine. If a problem should arise, or if you have any questions about your engine, consult an

COMPONENT & CONTROL LOCATION - American Honda Motor Company

Honda gx140 / gx200 fuel tank, oem. Condition is "Used". Shipped with USPS First Class. This came off a brand new pressure washer which had been turned upside down in shipping causing the top of the fuel tank to be bent down slightly this in turn caused it to leak just a little if tilted way up this could probably be remedied with a little work or a thicker gasket on the gas cap.
