At Instant Success Leads we believe that delivering high quality, high value prospects STARTS with the prospect experience. If that sounds backwards, we know, we get that all the time but here's the reason behind this. A better prospect experience, or prospecting funnel, the more engaged the prospect becomes in their network marketing search.

The steady beat is the first thing I review and teach. In order to reach all learners, I use a variety of activities where students can experience the beat through visual, aural and kinesthetic opportunities. This way all students have the best chance at feeling the beat. I especially love to teach the steady beat to my kindergartners.
