## **The Essentials Of Academic Writing**

Although writing may be the main objective, exploring materials that are already written is also an essential factor to consider when planning to write essays. Before you can begin writing your essay, you should do extensive research and read relevant information.

## **7 Important Factors to Consider in Essay Writing**

In fact, papers with comments and responses are more likely to be the most cited papers of a journal. Hence, if men and women writing comments differentially target men and women's research for commentary, this impacts the relative prominence of men and women in scholarly debate. A few years ago, I published a comment letter with co-author ...
