Read PDF The Sociological Imagination C Wright Mills

The sociological imagination is the practice of being able to "think ourselves away" from the familiar routines of our daily lives to look at them with fresh, critical eyes. Sociologist C. Wright Mills, who created the concept and wrote the definitive book about it, defined the sociological imagination as "the vivid awareness of the relationship between experience and the wider society."

Sociological Imagination | Definition and Discussion

The term "sociological imagination" was coined by the American sociologist C. Wright Mills in his 1959 book *The Sociological Imagination* to describe the type of insight offered by the discipline of sociology. The term is used in introductory textbooks in sociology to explain the nature of sociology and its relevance in daily life.
